Subject: Harbor Toxics TMDL/SQO information
Attachments: Summary SQO Aquatic Life.docx; Summary Human Health Sediment Quality Objectives.docx; Revised_LAH CSMP_3 18 16.pdf

Hi Cynthia and Patrick,

As a follow-up to our conversation last week regarding the former Wilmington Marine site, attached is background information on both aquatic and human health Sediment Quality Objectives, and also the latest draft of the Port's Contaminated Sediment Management Plan. Please note that this CSMP is still a Draft, and therefore subject to change in the upcoming months.

Regards,

Kathryn Curtis
